

## Electric Kettle | 1.7 l | Soft-Touch | Grey | Rotatable 360 degrees | Concealed heating element | Strix® controller |

### General information

This stylish, powerful Nedis® Electric Kettle works just as good as it looks: it has a generous 1.7 litre capacity, is quick to the boil and it is designed to minimise any limescale build-up.

Combining stainless steel, wood and rubber paint finishing makes our kettle a stylish, durable and easy-to-clean addition to your kitchen.

Its designed to hold enough water for six to eight cups every time its boiled, so no-one should be left for too long without their tea or coffee.

The cordless 360° pirouette base ensures an easy lift and the ergonomically-designed kettle is comfortable to pour even when filled to capacity.

The concealed 2200 W heating element and removable filter ensure your water reaches the boil quickly every time but limescale build-up is minimised.

### Features

- 1.7 L capacity - perfect for when thirsty guests arrive
- Cord winder - for easy storage
- Anti-scale filter - to ensure water boils quickly all the time
- Cordless 360° pirouette base - for easy handling
- Boil-dry protection - the kettle will not work if there is not enough water in it
