

nedis

Electric Kettle | 1.7 l | Glass | Transparent | 60,70,80,90,100 °C | Temperature indicator | Rotatable 360 degrees |

General information

Our stylish, powerful Nedis® electric kettle works just as good as it looks: it has a generous 1.7 litre capacity. Thanks to a powerful performance of 2200 W, you'll have your tea ready in no time.

Blue LED light shows the kettle is in use and with a glass housing you can actually see when the water is boiling.

The cordless 360° pirouette base ensures an easy lift. The concealed heating element minimises limescale build-up and together with the removable filter, this kettle is super easy to clean, ensuring a consistent great taste of your hot drinks.

Features

- Safety lid - locks safely into place and pressed open with one hand
- 360° pirouette base - easy to remove and place back the kettle
- Cordless - for easy filling and pouring
- Water level indicator on both sides - convenient for both left- and right-handed people
- Removable filter - easy to rinse
- 1.7-litre capacity
- Glass housing with stainless steel accents - stylish and durable
- Auto switch off and boil-dry protection - for your safety
- Blue LED light - shows when kettle is in use
- 5 variable temperatures ((50 - 70 - 80 - 90 - 100°C) with each variable color lights.
- A keep warm setting keeps heated water at the preset temperature for 30 minutes
- Concealed heating element for a smooth, simple-to-clean interior.
