

Instructions for handling splitted driver ZIP files for both products CMP-WNUSB22 and CMP-WNUSB50.

1) Unpack file

CMP-WNUSB22_50_Win8_Driver_Software(1).zip
in a folder you can choose yourself

2) Unpack file

CMP-WNUSB22_50_Win8_Driver_Software(1).zip
in the same folder (!!) as chosen in option 1

3) Go to chosen folder and in there open folder
CMP-WNUSB22_50_Win8_Driver_Software

4) In this folder start the file Setup.exe
and follow further instructions from there
