SITECOM

Data sheet: WL-320

Product code	: WL-320
Product name	: Wireless Network PCI Card 300N
EAN code	: 8716502018291

Install this Wireless Network PCI Card 300N into your desktop PC, and you'll be able to connect this computer to any wireless network. And if you have a 300N router and/or other PCs equipped with 300N technology, then you can communicate with them wirelessly at extremely high throughput speeds, and over far greater ranges. Thanks to the integrated OPS technology, this PCI card now makes it easier than ever to connect and protect your PC in wireless networks! Just one press of the button, and the wireless connection is established, including full security according to the latest WPA2 standard.
