## Addit cable protector 300 cm 303

The Cable Protector not only protects the cables running over the floor, it also prevents tripping. The Cable Protector has sloping edges with non-skid ridges and three large cable ducts to separate data and power cables to prevent interference.

- Curved top with ridges provides grip when stepped on
- Suitable for 6 cables of 7 mm thickness
- Enables optimal separation of data and power cables
- Easy to attach to the floor with the adhesive tape
- Dimensions (w x d x h): 83 x 3000 x 15 mm
