

Data sheet:

Wireless Network High Gain USB Adapter N300

Product code : WLA-4001
 Product name : Wireless Network High Gain USB Adapter N300
 EAN code : 871650203448

Connect your desktop PC or notebook to a wireless network via USB

Do you have a notebook or desktop PC that is not equipped with wireless functionality? Simply plug the Wireless Network High Gain USB Adapter 300N into your notebook or desktop PC, and connect to any wireless network, for example your wireless network at home or a public WIFI in a cafe.

The Wireless Network High Gain USB Adapter 300N enables you to enjoy a wireless network connection with extremely high data transfer speed of up to 300 Mbps, provided your router and/or other desktop PCs also support the 300N standard. This makes this adapter the ideal solution for streaming media such as movies or music from the Internet.

Thanks to the external antenna you can count on maximum wireless coverage. The antenna's position is fully adjustable: simply rotate the antenna and eliminate 'dead spots' in your house. The integrated OPS technology enables you to quickly and easily establish a secure wireless network connection with just the push of a button.

Specifications:

- Standard/compliance 802.11 b/g/n
- Wireless speed up to 300 Mbps
- Security: WPA, WPA2 (AES, TKIP), 64/128 bit WEP with shared-key authentication
