## Heat Shrink Tube Set

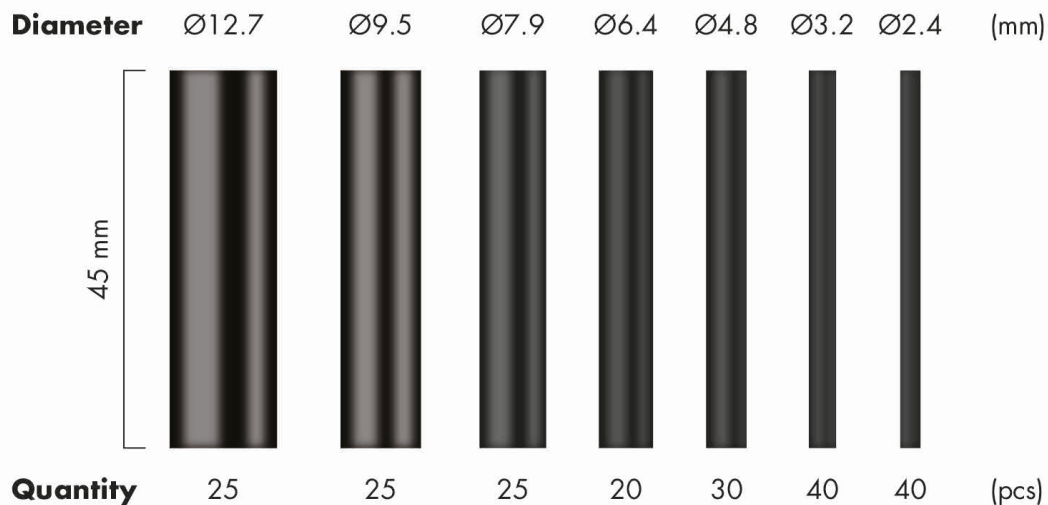

300 pcs, 3:1 Shrink Ratio, Black

Art. No.: KAB0122

The waterproof shrink tubing is mainly used for wire connections, wire protection and insulation treatment in areas such as industry, shipping, automotive, solder joints and electrical equipment. It protects the cable with tightness, acid and alkali resistance, durability and anti-aging.

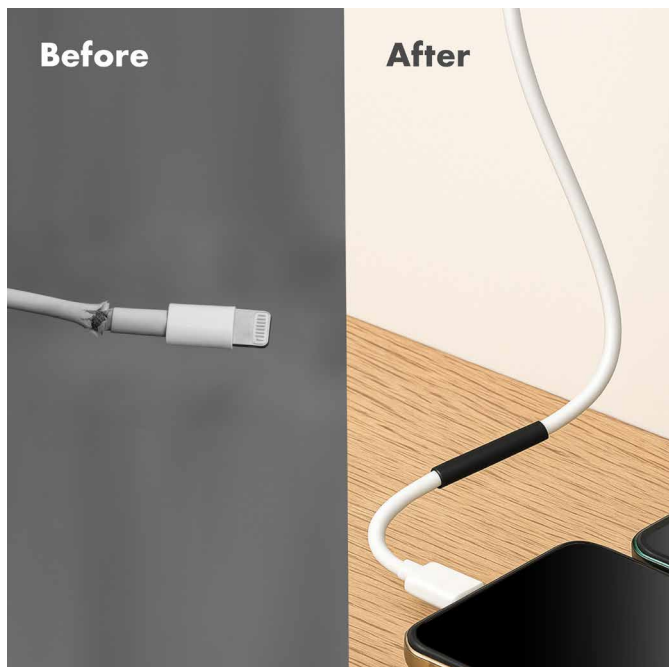

### Features:

- » Waterproof heat shrink tube with adhesive glue, seals tightly and keeps water out
- » Includes 7 shrink tube sizes from 2.4–12.7 mm
- » 3:1 shrink ratio for flexible and reliable application
- » 45 mm in length for quick and easy use
- » Shrinks 5% in length
- » Stays flexible after shrinking and resists abrasion
- » Operating temperatures 70–125 °C
- » Material: Polyethylene
- » Include a storage box, which lid can be open up to 180°
