

# LogiLink®

## Heat Shrink Tube Set

800 pcs, 2:1 Shrink Ratio, Mixed Color

Art. No.: KAB0123

LogiLink heat shrink tubes can be used for DIY electrical wiring projects such as repairing USB, telephone or headphone cables, identifying wires (by the colors), electrical insulation or lights wiring. After heated, it can strengthen the cable so it does not break or deform easily, and extend the life of electronic devices.

### Features:

- » Includes 12 shrink tube sizes from 1–13 mm
- » 2:1 shrink ratio for flexible and reliable application
- » Non-Adhesive tubing
- » 45 mm for quick and easy use
- » Shrinks 5% in length
- » Stays flexible after shrinking and resists abrasion
- » Operating temperatures 70–125 °C
- » Material: Polyethylene
- » Include a storage box, which lid can be open up to 180°
