USB Output

Easy to Read All-In-One Display

Check the time, date, temperature and radio frequency with large and clear LCD display.

Intuitive Operation

Tap the top for extra nap time (Snooze) or turn on the night light.

Aesthetic Night Light

Gentle yellow light with soothing ambience, offering a subtle glow for nighttime and a comforting presence at bedtime.

Enjoy the Great Vibes

Whether you are in the mood for jazz, rock, or rather be updated on the latest news, you can manually or automatically select the radio station for the tune you desire.

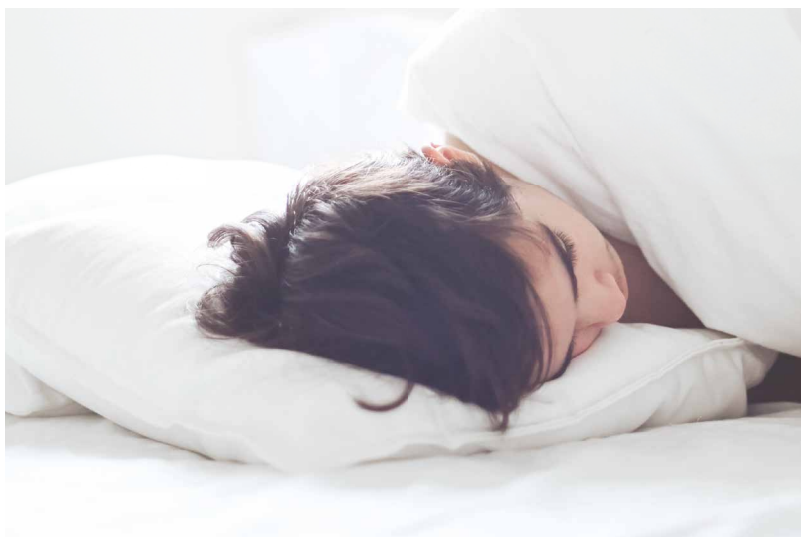

Happy Wake Up

Easy setting to wake up with the alarm buzzer or radio of your choice and start the day!

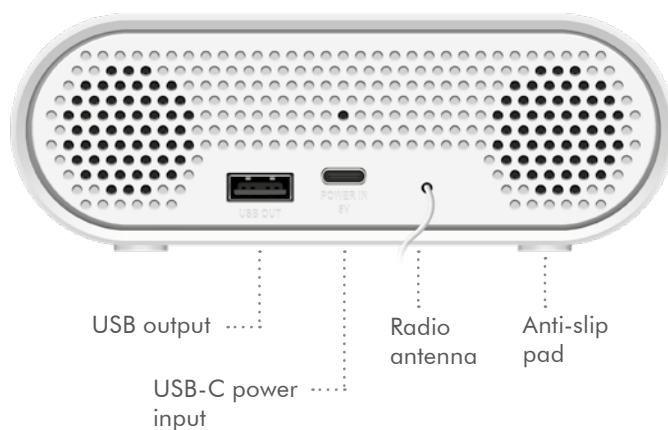

Sleep Timer Function

Drift into restful sleep with your favorite radio station playing in the background. Automatically switch-off after your preset time has elapsed.

USB Charging Port

Built-in USB port for charging smartphones or other USB powered devices.
