## Magnetic Wireless Speaker with RGB Lighting

Art. No.: SP0073

Compact wireless speaker with a strong magnetic base, easy to attach to your phone as a stand or to any nearby metal surface for hands-free convenience.

### Features:

- » Clear stereo sound with a Ø40 mm dynamic driver, offering full-range audio with rich, powerful bass for an exceptional listening experience
- » Stable Bluetooth 5.4 connection, enjoy quick hassle-free pairing and ensures uninterrupted music or calls
- » Transparent design features vibrant RGB light effects, creating a stunning visual experience that enhances the sound, perfect for immersing you in the gaming atmosphere
- » Easily attach as a phone stand to iPhone with MagSafe, iPhone with MagSafe case or any other phones (use the included metal ring)
- » Support TWS for pairing with two speakers, they will sync their light shows and deliver immersive stereo sound, creating a left and right channel for richer audio enjoyment
- » Portable design, bring your favourite music anywhere you go
