Outdoor 24-Hour Mechanical Timer

Art. No.: ET0006
ET0006A

To avoid the inconvenience of plugging and unplugging your outdoor lights, decorations, and other power devices, let this 24-hour outdoor timer do the work for you. Just set your schedules and go, and you'll never worry if you left the lights on ever again.

Simple & Automated

Turn the dial with the arrow pointing to the current time, then set the timer by simply pressing every 30-minute pin down; program repeats every 24 hours. Once set, the power of the connected device will switch on and off daily.

Multi-Programmable Timer

Set multiple timers over a 24-hour period.

Waterproof for Outdoor Use

Cover provides protects the timer from the elements when used outdoors.

Energy-Saving

The timer will help you improve power efficiency and save on your electricity bill.
